

Are you looking for powerful, Motivational Speakers for a keynote, or Corporate event?

Rachel and Rolando are a **father/daughter team whose passion will ignite your organization**. They are an excellent keynote team, an Educator, and an Attorney, that are able to convey to all their audience, with their insightful, hilarious and thought-provoking experiences of **raising and being raised, in a family of 19 children**.

They excel because of their ability to communicate, their experiences with diversity of the closest kind, the family, and they are excellent in their ability to contrast their life experiences from a **parent/educator point of a view and a daughter/Attorney point of view**. Most everyone in your audience will relate to many experiences in this family.

Rachel and Rolando **specialize in speaking for corporate and private organizational events** with their humorous approach to diversity and leadership that will have you on the floor **laughing one minute and reaching for a tissue, crying the next**, while giving their audience encouragement and knowledge to develop the skills necessary to **lead in their fields and the tenacity to never quit**.

Your audience will **put their phones down and be drawn** in within the first few moments and their attention will be held captive for the entirety.

It will be an experience they will not soon forget.

OPTION #1: It Doesn't Matter Where You Come From, It matters Where You Are Going

Most of us struggle with life experiences we have had from our past. Even those who have had what they would deem happy childhoods have experiences that have hurt and have shaped their perspective on life. This motivational and insightful session will give your audience practical techniques that they can use both personally and professionally to help your business achieve success. Rolando and Rachel will lead them on a journey through what life is like with 19 adopted children. They have practical advice on how they accomplished many goals that relate to any organization. Imagine the experiences that are combined in this one family.

ON THIS TOPIC, THEY WILL EXPLORE:

LESSONS IN DIVERSITY: How they brought together 8 different sibling groups, from all ethnic backgrounds, experiences, and ages.

ULTIMATE LESSONS IN TEAMWORK: Living together.... they had to all get along and work together.

GOAL SETTING: Your organization can take their practical advice on how they taught their children goal setting and how they accomplished getting everyone headed in the same direction while utilizing individual talents.

OVERCOMING ADVERSITY: Focusing on the future, forgiving the past and letting go of what you cannot change. This family encompasses many of the same characteristics of a small organization.... except they had to love and support each other. Your audience's hearts will be touched by their many experiences and they will walk away with practical techniques of how to incorporate some of the same ideas into your organization.

OPTION #2: Coming Full Circle

Do you need your organization to get a shot of energy? Do you want them to have a new resolve and realize that what they do really matters? Then COMING FULL CIRCLE is a topic you will want to include in your event. Rolando and Rachel, a Father/Daughter team, are a dynamic Keynote duo, that will encourage and uplift your organization with their story about their family and how those outside of their family influenced and shaped their lives, in ways that they could have never anticipated. Their stories of the antics of their 19 adopted children, struggling to make sense out of their life experiences will have you laughing and near tears. Your audience will be pulled in with compassion for this family and leave with a new sense of resolve...” WHAT WE DO.... DOES MATTER!”

ON THIS TOPIC, THEY WILL EXPLORE:

BE THE LIGHT! Most people hear and personalize 50% of encouraging words but they personalize 99% criticism. Be the light in someone’s life. Rethink your approach to those in your surroundings.

YOU NEVER KNOW WHOSE LIFE YOU ARE TOUCHING! Rolando and Rachel will share numerous stories of people who touched their family’s lives in ways that they could have never known and the outcome in a heartfelt rendition of gratefulness. You truly may never know the foot-print you have left on others’ lives.

PURPOSEFUL INTENTIONS: Take the opportunity to encourage but also purposefully MAKE opportunity.

THE 3 P’S: PATIENCE, PLANNING AND PERSEVERANCE

OPTION #3: It is a Wonderful Life?

Many of us wonder at times, What are we doing here? We live in a hectic and exhausting society. It is Go, Go, Go and between our phones, iPads, laptops, Facebook and Twitter, it is easy to lose sight of what we originally set out to accomplish. That is usually the very time that we get discouraged and want to quit. Has your organization lost sight of the goal? Do you need someone to come in and shake it up? Rachel and Rolando are the keynote speakers that can do just that. They will share some of the techniques that were used in raising 19 adopted children. They developed a system that they will share on how to refocus/reprioritize your family or organization and get them moving in the right direction. Your audience will laugh at their humorous antics.

ON THIS TOPIC, THEY WILL EXPLORE:

STOP, DROP AND REFOCUS/PRIORITIZE.... When you have lost your focus it's time to take a focus break.

DON'T BE STUCK IN A RUT.... Be Creative....Be open to REDEFINING YOUR GOALS.

WHO IS THE BOSS OF WHO? Is your schedule working for you or are you working for your schedule?

LOOK BOTH WAYS BEFORE CROSSING THE STREET. Don't throw caution to the wind!

SAY PLEASE AND THANK YOU.... Respect and Politeness go a long way...when you have a long way to go. USE YOUR WORDS!!! Always work to be a great communicator.

FOLLOW YOUR HEART....God made you for a purpose....Don't let anyone keep you from it
